Approximate time support is required: (exam. 1-5yrs., indefinite) 3 years

Brief Working agreement of Church and Missionary _____

Explain, in detail, what the MBA of Texas support will be used for: The MBA support will be used to provide living expenses for our pastor Bro. Larry Watson. Bro. Larry is actively seeking a change of employment or self-employment that will allow him to be more available to the church. At this time the church is unable to provide support for a pastor. We have reached the point of being financially stable enough to cover our monthly expenses and offerings. We are praying for continued growth that will allow us to support our pastor on our own.

List other Mission work supported by the Sponsoring Church: The church supports the MBA of Texas, Texas Mission Builders, Texas Mission Development, and the Texarkana Baptist Children's Home. We recently increased our monthly mission support.

Does the Church agree with the Doctrinal Statement, Articles of Agreement, and Mission Policy of the MBA of Texas?

Yes Does the Project agree with these? Yes

Does the Church financially support the MBA of Texas? Yes Does the Project? Yes

What are your specific plans for the next year? In 2021 we started a visitation program, reinstated services that were halted due to Covid, and began ministries for women, children, and men. We saw growth which helped to increase our mission support. In 2021-22 we plan to have a more structured visitation program, and expand each of these ministries as well as beginning community service projects. We want to see our members grow in their walk through preaching and teaching. We received TMD funds and will also be working on making much needed repairs and upgrades on the church building. It is our prayer that souls are saved, the church grows in grace and number, and that we can be a self-supporting work once again.
